

# INVITATION

## ~ Socitm NI ~

*A Breakfast Briefing for existing and new members*

Socitm NI is the professional association for ICT managers working in and for the public sector in Northern Ireland. Socitm NI members are drawn primarily from local authorities, central government, the housing executive and the ICT supplier community. Socitm NI wishes to widen its membership and would like to attract members from the health service, education and library boards, the police and fire services and from the voluntary sector in Northern Ireland.

Managers and consultants from organisations supplying ICT products and services to the public sector, or which support public services in other ways, are also welcomed as members.

The aim of this breakfast briefing is raise the awareness of benefits of becoming a Socitm member and to raise the profile of Socitm NI in the region.

## Speakers

	Bryan Dunlop	Bryan is a motivational speaker who coaches a wide range of individuals and organisations on how to build their business, lead in adversity, manage fear and to build high performing teams
	Ellen Jessett	Ellen, Head of Members Services at Socitm, is the former Chief Executive of the Institution of Fire Engineers, and plans to extend membership of Socitm to ICT and related professionals across the public and third sectors
